

【NOTICE as of October 2022】

Suntory Hall continuously holds concerts with precautionary measures for infectious diseases.

<Admission guideline>

- \* We ask visitors with similar symptoms of Covid-19 or cold to refrain from entering Suntory Hall.
- \* All visitors are strongly recommended to wear face coverings properly, regardless of vaccination status.
- \* Please note that the following visitors will not be able to admit to Suntory Hall:
  - Those who have been in close contact with persons who tested positive for Covid-19.
  - Those who have travelled to countries and regions for travel restrictions or an observational period designated by the government.

<In Suntory Hall>

All the visitors are requested to wear face coverings properly in Suntory Hall at all times.

We kindly request you sanitise your hands and fingers as frequently as possible. We have hand sanitiser installed at various spots in the foyer.

Also, please maintain social distancing from your fellow audience, and avoid conversation in a loud voice.

- \* Please note that we may suspend the following services depending on concerts:
  - Cloakroom
  - Bar and Refreshment Lounge \*only beverages are available for the time being
  - Gift shop
  - Water drinking fountains are not available for the time being

The auditoriums ventilate at all times, and our staff open the doors fully before the concert and during intervals to enhance ventilation.

<Employees and staff>

All the staff members and related personnel undergo temperature checks at the backstage door.

Thank you for your kind understanding and cooperation.
